30tonne Machine Skate Kit

Product code: SKKIT30

A 30 tonne machine skate kit for moving heavy loads over short distances. Ideal for installation works.

- Kit includes: 4 machine roller skates, 2 turntables, 2 packing plates, 2 steering handles, 2 link-up bars, one draw bar, one metal storage box
- Easy to transport large machinery/heavy equipment into tight areas due to the precise control provided by the steering handle
- Excellent value for money due to the components and their durability
- Minimum turning circle is 3 metres
- Finish colour supplied may differ from that illustrated
