# AluTruk Sack Truck With ‘Dog Leg’ Stair Assist Handles

**Product code: M24+23Y10**

An aluminium sack truck in the AluTruk range, fitted with 'dog leg' stair assist handles. Ideal if you often have to negotiate multiple steps and stairs. For loads up to 300kg.

- Easy stair use - stair glides with low-friction nylon runners
- Protects the operator - knuckle guards on the pistol grips
- Avoid puncture hassle - fitted with puncture-proof tyres
