Hand Pallet Truck 2500kg Load - PU Wheels

Product code: SKHPT2500PU

Our industry leading hand pallet truck with high wear resistant **polyurethane (PU)** guide & steer wheels. The heavy duty 2500kg load capacity and 1150mm x 550mm forks make it ideal for lifting and moving heavy objects within warehouses, factories & more.

- Robust precision welding quality with thick powder coat finish for corrosion resistance
- Reduces operator fatigue: Less starting force is required and the handle is rubber coated, comfortable, non-slip and wear resistant
- Simple three lever control with adjustable lowering
- Sealed pump unit with safety valve for overload prevention
