Jacking Unit Open With 16mm Treaded Stem

Product code: JAZ/M16

Zinc plated box jacking unit with side fitting plate and a 75mm lift no castor fitted but a m16 x 40mm threaded stem.please advise if a loose fitting bar is required Please note Jacking castors are rated on a different principal to other castors and we recommend the total lifted load is divided over just 2 jacking units.1 extra safety point is when jacked up please beware of any obstacles as a sudden shock could result in bending the thread but more likely the castor will tear away from the screw thread. Please refer to the BIL catalogue or request a drawing Jacking Unit only

Castor Type	Jacking Unit only
Lifting Stroke (mm)	75
